

# New Snack Size

Format: 30 – 33g

We are delighted to present our new snack size mould, which is an ideal alternative for on-the-go and in-between. With this new format you can get both, solid as well as filled chocolates in the same format.

- ◆ Bite-sized portions
- ◆ Minimal danger of breakage thanks to stable form
- ◆ Attractive and modern wave design
- ◆ Optionally solid and filled products
- ◆ Combination with economic and sustainable flowpack packaging

This format provides our customers with clear added value, enabling us to set new standards as a producer. We look forward to assisting you with the realization of your projects!
